EXCELLENT CRICKET PLAYED BY THE

PHILADELPHIANS AGAINST THE

Philadelphia, O.t. 2 (Special).-Notwithstanding

the damp, chility weather which prevailed here to-day, another large and fashionable attendance

viewed the cricket match at Haverford between

the Gentlemen of Philadelphia and P. F. Warner's

first innings, the Philadelphians batted excellently

in the second, and many times their good work

When play ceased on Friday afternoon the Phila-elphians had lost two wickets for 18 runs against

wicket to go down.

W. W. Noble played a spiendid innings of 64. in which he exhibited some of his characteristic cut-ting and pulling. J. B. King hit vigorously for 65, and P. H. Clark and H. C. Thayer did their share in the general good work. Play will be resumed on Monday, and although the visitors have every prospect of victory, there is still a hope that the home learn can save the game.

The following is the score:

HARVARD 29. WILLIAMS 0.

FINE EXHIBITION BY DIBBLEE, HARVARD'S

LEFT HALBACK.

Cambridge, Mass., Oct. 2.-Harvard defeated Will-

lams to-day in the first game of the season by a score of 20 to 0. The Harvard eleven was so far

uperior at every point that the game was of little

score of 20 to 0. The Harvard eleven was so far superior at every point that the game was of little interest. The only exception was the work of "Ben" Dibblee, who caught the ball at the kick-off for a thirty-five-yard run, and repeated the performance for forty yards. Only four times did Williams get a chance to rush the ball, and even then she could not make five yards.

For so light a game Harvard had bad luck in the way of injuries. In the very first play after the kick-off, Wheeler ran into Doucette, and received a compound fracture of the nose. Doucette had to retire a few minutes later, and Cochran's had knee forced him to give place to Maguire at quarterback. The first touchdown was scored inside of four minutes, Haughton following up Dibblee's pretty run with a dash to the line through centre. Dibblee pushed the ball over, and Cochran kicked the goal. The second touchdown was made by Dibblee, after an exchange of kicks and a number of short, easy gains by all the Harvard backs. Cochran missed the goal. Bonve, Harvard's left guard, who was frequently worked on centre plays, made the third touchdown just before time was called in the first half. Haughton failed to kick the goal.

In the second half there was a great deal of fumbling and loose play. Cozzens made the fourth touchdown. The line-up follows:

Philadelphia, Oct. 2.-The University of Penn-

sylvania football team defeated the Bucknell Uni-

sylvania football team defeated the Bucknell University team by the score of 33 to 0 in an interesting and well-played game. Although Bucknell played a good hard game they were lamentably weak in stopping Penn's backs and guards. Hare and McCracken made a number of plunges through Bucknell's line for five and six yards, and Jackson, Pennsylvania's halfback seemed to go through at will. In the first half Morice and McCracken scored touchdowns, on both of which Minds kicked goals. In the second half Hare and Minds scored touchdowns and the latter kicked goals on both. Jackson ran thirty-five yards and scored touchdown, but Minds failed on the goal. With two minutes to play, Morice made the sensational play of the day. He kicked a goal from the thirty-five-yard line. The line-up follows:

CORNELL'S FOOTBALL PRACTICE.

men have been worked hard and thoroughly, and the candidates for the various positions have had trials in regular turn. Taussig is back for a short time to ceach, and the three coaches. Warner, Beacham and Taussig, have been giving especial attention to swiftness of play, and producing marked improvement in the way the backs get off. Considerable attention has been paid to tackling, and here, too, some improvement has been noticed. The new dummy for tackling has proved useful. Taussig has been giving the men some valuable points in its use. The defensive work of the team is good. On the defense Young plays fullback, Shoch plays centre and Tangeman plays quarter-back. It is probable that Hackeit will soon be replaced by McLaughlin, who is intending to come out.

MEADOW BROOK SEASON OPENS.

FIRST CROSS-COUNTRY RUN HELD YESTER-

DAY OVER TWELVE MILES OF ROUGH

COUNTRY, BUT NO ACCIDENTS

MARRED THE DAY.

Bright, sunny skies and perfect weather greeted the opening of the fall season of cross-country hunting by the members of the Meadow Brook

Hunt Club yesterday afternoon. The run was well attended by the hunting coloules of both the Meadow Brook and Rockaway clubs. It was one

of the longest runs that the club has ever held, and was over twelve of the roughest miles of hunt-

he pack of English foxhounds led the party at a rattling gait across country to the estate of Willi-

iam C. Whitney, where a check was taken for several minutes. Upon being thrown in again, the pack crossed the estate of Dudiey Winthrop, and then ran in a northerly direction to the country seat of Edward Morgan, on the Wheatley Hills, where the kill occurred, and the exciting chase ended. The first in at the finish were Mrs. James L. Kernochan, Ralph N. Ellis, Harry Page, "Maxie" Stevenson and the two whips, Davy and Murphy. The remainder of the hunt party finished together a short distance behind. Mrs. Kernochan and Mrs. E. K. Stow were the only women in the saddle. They both rode with great dash throughout the entire run, and took every obstacle encountered.

A BIG MARSH ON FIRE.

Chicago Junction, Ohio, Oct. 2.-One of the most

disastrous fires in the history of this section of the

country is now prevailing in the New-Haven

vegetation, and is easily ignited. The fire was caused by the burning of a brush heap by a

farmer, and has been burning for nearly a week

To-day 2,000 acres of the tract of 6,000 are a smok

To-day 2,000 acres of the tract of sold are a since ing mass. Two houses have been burned, and nearly a dozen more are in danger. All the inhabitants are prepared to move at short notice, as the fire is burning everything in its path. The Hollanders' celery gardens are in close proximity and great fear is felt by them, as they have nearly all their late crop of celery to harvest. Several large fields of corn, potatoes and cabbage belonging to them have already been burned.
